

Year Long Match Play (MINOR)

Each of the 4 districts of the Midwest Section will conduct their own individual match play. Each district director will be responsible for promoting, accepting sign ups, and administering the event. The recommendation is to charge \$25 per player and pay the top 4 finishers. The top 2 from each district qualify for the Section Quarterfinals. Qualifiers will pay a \$100 entry fee through the section.

Sign ups should start immediately with the goal of matches starting in April. Deadlines will be established by each district director and enforced by the tournament committee. All district matches must be concluded by July 31st with the finals to be completed by September 28th.

Year Long 4-Ball (MINOR)

The year-long 4-ball will be conducted similarly to the individual match play. Each district will be responsible for their own 4-ball match play. Teams will consist of 2 members from the same district. (Should someone change districts during the event, that team will continue as originally signed up.) The recommendation is to charge \$25 per player and pay the top 2 teams. Only the championship team will advance to the semi-finals. The winning team will pay a \$200 team entry fee through the section.

Once again, sign ups should start immediately and follow the same guidelines detailed above on deadlines. **CHAMPIONSHIP VENUES TBD ON BOTH EVENTS**
