As evidenced by the participant's entry into the event, the participant acknowledges that potential dangers relative to the use of spikeless/non-metal golf shoes have been disclosed to the participant and participant agrees to assume the risk of sustaining an injury arising from or attributable to the use of spikeless/non-metal golf shoes at the event site. The sound must be kept to a tolerant level as to not interfere with the competition. Any complaint by pairing and/or close to pairings who would like the music / podcast turned down or off take precedent.

Section 17 – Pace of Play – Major Championships / Pro-Only Events

The Midwest Section PGA Pace of Play policy reads as follows:

OUT OF POSITION: The first group of an event or tee schedule with three (3) competitors will be expected to play at a pace equivalent to 13 minutes for par 3's, 14 minutes for par 4's and 15 minutes for par 5's (Approximately 4:12 per round). Each course is subject to lengthening of the pace of play policy depending on varying factors (distance between tees, degree of difficulty, etc.) For each player in excess of three (3) in a group, the time per hole increases by one (1) minute and likewise, one (1)

minute less for each player under three (3) per group. The first group may be placed “on the clock” and in addition to provisions of #2 below, will be expected to regain their position relative to the Pace of Play clock or be subjected to a subsequent penalty.

WARNING: A group found to be two full shots and a putting green behind the group in front of them AND which is not on schedule with the pace of play chart established by #1 above, shall be informed that their group is being timed. This will serve as the only warning for each competitor prior to being penalized for subsequent slow play. Players will then have 40 seconds to play a stroke. It is reasonable for a player to have a few extra seconds on trouble shots. The player having the honor on the teeing ground or making the first stroke on the putting green of the hole being played has an additional 10 seconds for preparation. If the player exceeds this 40 second limit, he/she will be penalized as follows (all fines are due payable 30 days following notification of the fine):

- First Offense: One (1) stroke penalty
- Second Offense: Two (2) stroke penalty and \$50.00 fine

If more than two players tie, all players other than the winner will be declared joint winners of second place and share equally in the purse and points to be distributed. Competitors tying for other positions will share equally with others posting the same score.

1. In all Major Championship competitions where the final round has been rained-out and the event shortened to 36-holes and/or 18-holes, if there is a tie for first place, every effort to conduct a sudden death playoff should be made. If the Tournament Committee (posted) deems a sudden death playoff impractical to be held the day of the scheduled final round, the two competitors tied for first place will be declared co-champions.
