Favorite part about working in the Midwest?

I have been here my whole life, so I don't really have a favorite part. But, like most people from the Midwest I like the fact that you can be in many different places with just a half a day's drive.

What is a little known fact/fun fact about your facility?

The original Sedalia Country Club was founded in 1905 and was destroyed by a tornado in the mid 1970's. The club then moved to its current location.

If I would have never got into the golf business in 2006, I would have become a pilot in the United States Army... Specifically a helicopter pilot.

Favorite Golf Memory?

While playing one day after work as an Assistant at Highland Springs CC, I holed out the par 4 ninth from 207 yards for eagle and the back of the club house had people eating dinner. They all saw it and cheered like I won something...
